MyRecognition

Great job, Prasad! Fred Fritz Shad recognized you in the Employee-to-Employee FY19 H2 Program.

Below shows the impact you made:

Prasad,

Thank you! for doing a remarkable job at WEST Safety Services to help deliver a trustworthy Operations Bridge Solution. Prasad, I wanted to take a moment to say how much you are appreciated, your relentless efforts on making our products work at WEST and other Micro Focus customers.

Without you on the team we will not be able to move forward with this opportunity and several projects will still be undelivered. The Sales Team and I truly appreciate your professionalism and handling of this extremely complex environment, for a rigid 911 services and communication provider, with stringent uptime and drastic compliances with FCC requirements/regulations. Thank you for the enthusiasm, your work late after hours and perseverance. **You are a great contributor and a difference**

maker in this organization!

Thank you for all your hard work. You are a difference maker; it is a pleasure and a privilege to have a coworker like you.

Thank you for being particularly helpful!

All the best,

Fred

Thank you for putting our values into action! A copy of this recognition was sent to your manager.
